

Would you like to eat fruit and vegetables free from additives and preservatives that are fresher than any you can buy from the supermarket?

Then why not rent one of Newcastle's allotments.

Allotments are cheap to rent and might even save you money in the long run.

What's in it for you?

As well as providing a healthier diet there are lots of other benefits to renting an allotment.

- Plenty of exercise
- Meet new friends
- Lots of fresh air
- Escape from life's pressures
- Share knowledge and talents

Not sure where to begin?

Many sites offer half plots for first time gardeners or why not get together with some friends and share the work.

You will also find that the other gardeners on the site will be delighted to share their knowledge and experience with you.

September 2005

How do I get an allotment?

There are around 3000 allotment plots in Newcastle on 61 sites. Have a look at the inside of this leaflet and decide which area you are interested in.

Allotment sites in Newcastle are run by Associations who carry out the day to day management on behalf of the Council.

Once you have decided which allotment site you are interested in contact the Allotment Officer who will put you in touch with the appropriate secretary.

How much will it cost?

Rents vary from site to site. The average cost is £35.00 per year for a full plot.

Don't delay! The sooner you ring the sooner you'll be eating your own freshly grown fruit and vegetables.

For information on getting an allotment or any other enquiries you can contact the Allotment Officer on
